Queensland Team Travel Arrangements

It is the responsibility of the individual player to organise their own personal travel arrangements to and from Gold Coast. It is important to realise that this is a long weekend in Queensland, and the Gold Coast area will be busier than usual. There is ample parking at the venue.

Queensland Team Accommodation

Team accommodation is not compulsory. If you wish to stay on the Gold Coast, we suggest Broadbeach as the closest place to stay.

Ocean Pacific Resort, and Synergy Broadbeach have good rates and availability has been checked.

More links for accommodation will be distributed to clubs shortly.

Player Registration Process

It is critical that every player clearly completes all documentation and holds a current identification card such as student i.d, drivers licence or similar. Club coaches must check and sign in the relevant areas. Documents must be returned prior to the due date 14 April 2017. Full payment of fees is required by the due date, no late applications will be accepted. There is a \$50.00 administration fee to include, as per previous years. No deposit or part payments will be taken.

If the withdrawal is after 3 May 2017 the player will be issued a reimbursement less \$105 being \$50 Judo Qld administration fee + \$55 JFA administration fee.

Responsibility of Player and Coach

It is the responsibility of the Coach to ensure when nominating a player for the Queensland State Team that the player is fit, not carrying an injury and capable of competing at National level. The Coach should also ensure that the player has access to a training program to adequately prepare them for the tournament. Should a player sustain an injury or illness prior to the tournament that will affect their ability to perform at the Titles they must inform the Queensland Manager and Senior Coaches.

Players must also be responsible for their preparation for the titles by remaining fit, including accessing appropriate training. Should a player sustain an injury or illness prior to the tournament that will affect their ability to perform at the titles they must inform their club Coach.

Queensland Team Meetings

Expectations of Queensland State Representatives

The inclusion in the State Judo Team is prestigious and very high profile, and this should be reflected by a high standard of performance. Both in preparation for the event, and during the competition and in overall behaviour. Athletes are representing QUEENSLAND with all the attendant expectations and responsibilities of JUDO QUEENSLAND's Committee of Management and its members. The athlete acknowledges these expectations.

Terms of Agreement

In consideration of Judo Queensland accepting the athlete as a member of the Judo Queensland State team for the event and/or period shown, the athlete agrees as follows:

1. To comply with the requirements, including the terms and conditions for participation.
2. To exercise his/her best endeavours to render him/herself fit for competition.
3. To abide by the decision of the State Coaches and Managers whether to endorse inclusion into the State Team.

To disclose immediately to the State Coaches, Managers or other persons appointed by the JFA (Queensland) any injury, illness or other medical condition or recent surgery that might prejudice his/her taking part in the intended competition or training leading up to the competition. Furthermore any surgical procedures 2 months or prior to the competition period will require a medical letter of clearance from the operating surgeon stating that the player is fit and able to contest a National Martial Arts tournament. A letter of clearance from a General Practitioner will not be acceptable and must be given by the OPERATING SURGEON.
5. To comply with all reasonable directions and instructions given by the State Coaches/Manager's, or other persons appointed by the JFA (Queensland) during the required period.
6. To promptly meet all administrative requirements outlined and in particular regarding the payment of any moneys relating to participation as a Team member.

Furthermore, Judo Queensland reserves the right if at the time of the championships to withdraw Team membership if a player fails to abide by rulings made by the Team Coach or Manager or reacts in a manner unbecoming to the State Team.

I willingly enter, or give my permission for this participant to enter, the Judo Federation of Australia 2017 National Championships (event) knowing that there are inherent risks of injury in participation. I accept that I will accept full liability in the case of injury occurring. I have insurance for injury through membership of an IJF affiliated organisation or a separate policy. I further warrant that the participant is not taking banned performance enhancing substances, and will participate in good faith according to the JFA Inc code of conduct.
