

## Expression of Interest for Athletes

### JFA Randori Camp – after 2017 Sydney International

### 21 – 23 August 2017

The JFA would like to invite your Expression of Interest for our upcoming Training Camp taking place after the Sydney International. In 2017 the JFA is trialing a new concept of attaching a training camp to our domestic opens. This is similar to the concept used around the World for most International Competitions.

The general purpose of the camp is to provide an opportunity for Cadet (U18), Junior (U21) and Senior athletes to come together and have a high intensity randori camp that will continue preparing athletes for the rest of the year, in particular to the Junior World Championships in October and the Oceania Continental Open in New Zealand in November.

All AWE categorised athletes and athletes receiving funding towards any JFA organised events are expected to attend this training camp unless they are based overseas as evidenced in their Individual Performance Plan. The camp will be conducted at the NSW State Training Centre. Accommodation for interstate athletes is available near the venue and a cost of \$95 p/night including meals.

NSW based athletes may choose to stay at the accommodation or travel to training sessions.

#### TRAVEL ARRANGEMENTS

All athletes are required to extend their travel bookings made for the Sydney International until Wednesday afternoon. Athletes are responsible for funding and organising their flights. The last training will conclude at 12 pm on Wednesday, 23 August 2017.
